

# *Vision Tools* *3DView*

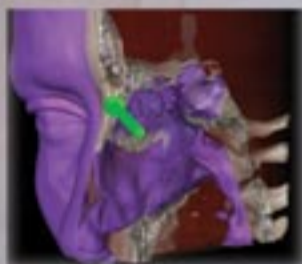

*Powerful 3D Visualization Tools  
for highly demanding environment*

**Fast Access to Large Studies  
Seamless PACS Integration**

**Volume/Bone Segmentation  
Vessel Segmentation  
Coronary Segmentation  
Vessel Analysis for CTA**

**Fly-Through Navigation  
Virtual Colonography**

**Multiple MPR / MIP Views  
Color/Gray Volume Rendering  
User defined Visual Presets  
Online Color Palette Editing  
3D Annotations / Bookmarks  
Volume Editing  
Cine-loop Recording**

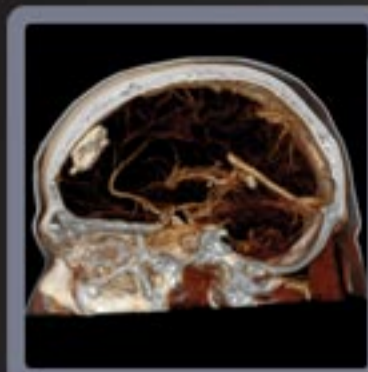

- FDA 510K
- CE 93/42/EEC
- ISO 13485:2003
- DICOM 3.0
